

War and peace aka ununited sticks amnesia

Prokofiev

Part one

piece board them

(at the graph)

An empty board passive question national les weakness and Hans come by with sticks

Scene one under a bridge

One morning waking up next to and underpass one brooding stick over here's a couple of sticks extolling the beauties of capitalist decay they start screen therapy at the oncoming traffic which aroused the one sticks listening spirits

Scene two alleyway disco ball

A new stick is overwhelmed at the lack of decoration attending it's first bowl ball a companion stick to the stick eases it's comfort by putting a gun to the stick and forces the stick to dance as a flirtation the stick threatens the stick with the restraining order but then they decide they have fallen in love with each other and mutually decide to keep it complicated in a triangle with another stick

Scene three the ditch by the dump

Two sticks have become engaged and call back home to burn bridges and the parents have the Park service separate the two into service as toothpicks for a year just to be a big stick!

Seen for Homestake home

While in service one stick is fickle to arrange for another stick to meet the stick from before and though the one stick has feelings for the other stick this stick falls for the advances from the stick to help settle the stick credit card and college debt

Scene five kiddie park home of stick friend

Stick who is already married and with mistress is persuaded by friend to help sweeten the deal before with stick who is already engaged intervention not to make restitution of you looping an eloping with stick there is many reservations on the table and contractually obligated to persuasive pre-cursive obligations like already being married with an affair but nothing will stop them from their plan to jump into the fire together the stick says goodbye to his friend and his lover and pays the coach on the side of the road and just lies there

Scene six trashcan

Stick wanting for steak to go easy with the flow is waiting for stick butter sticks but has a phone lost signal due to it being hacked by stick the hostess stick tries to reassure that stick will arrive in any minute to go get a eloped because there is many fine quality that stick projects then stick walks in and reveals to stick that's stickers already married so stick is thrown into even more emotional understanding by stick by sudden declaration of love and so they start a game of truth or dare

Scene seven the ditch study

Stick interrupt stick and guests to come front stick and order stick to go out of nowhere and it is then everyone receives a government map text message the ununited state of confusion and amnesia have invaded their nation less country

Part two

zombie apocalypse Christmas shopping

Scene eight the mall at Boro Dino

Stick is on the front waiting lines online who encounters with stick who wants what is in love with a mutual stick that's steak was in love with also stick pokes the stick with the reminder of love in general terms stick is pretty happy shopping among the zombies and remarks stick might not have a care in the world since stick found stick own inner peace stick was giving a gig as an actor to pose a post in politics toothpicks but decided to be better off being packaged up in a box of matches with which so stick can be then burn with comrades sticks

Seen nine behind the food court dumpster

Little stick has big dreams of going into nowhere and arriving at its capital center among tumbleweed and

lumber but is distracted by another economic collapse of reruns culture and moldy modes of humanity's monster growing out of the dumpster

Scene 10 a cardboard box

stick has summoned a clearance sale on all upcoming products before they arrive this Stana Schumann and tells generals and councils of sticks all the shelves have to be cleared for room of abandonment

Scene 11 center of nothing

Foreign sticks implement blueprints and plans for development but are countersued often by the offer of dumpster dive bars and bonfires for the flammable local sticks get together to stage a battle of the bands in air guitar silence composition it crowd forms and cheers with a dry golf clap stick walks up on stage and the crowd all retreat and stick is given a badge of honor but not before learning the housekeeper who was just down in sane stick because there was no house tour of the stick informed the stick about something forgotten

Scene 12 a cardboard box

One stick is slipping sippy slip sipping on a half empty energy drink lying sideways on the ground long lost love stick recognizes the stick dipping a stick into a can with a straw before they got to say hello they avoid each other and look the other way

Scene 13 the empty road

Foreign sticks run out a vacation money so decide to head home before turning into zombies before they leave they hold a big feast of hotdogs and oatmeal being boiled local sticks bring lawn chairs so they all can bask in the gray sticks are all awarded to get to go to an overnight meditation retreat raffle ticket discount but then looks on the fine print on the back of the card that social media updates of his friends was that stick decided to write about the journey was sticky and stick decided to raise a family and stick became hey super stick from the use of illegal substances and energy drinks that everyone was getting together to celebrate a new year as little stick thanks everyone for coming together and making all dreams possible little stick hopes that one day we all to you might find a home of happiness as great as a place as nowhere here is when all of a sudden it is announced the only United States has reset their agenda and decide to put the trees in charge of running the planet and then a my tie cocktail smashes all over the mall and burns all the sticks to ashen dust

after word hands crept out and sweep it all away
